## IMPORTANT DETAILS

- An "Event" is defined as providing services at one location, on one date, for one continuous time frame. Event lengths are determined according to site needs and number of flu shots ordered.
- Client is responsible for a per event minimum of 40 shots, 90% of the amount of shots ordered, or the number of shots administered, whichever is greater.
- Smaller events (20-39 shots) may be accommodated for a small site fee of \$195. For small events (20-39) client is required to pay for the exact number of shots ordered or administered, whichever is greater.
- All prices are per person. Prices include shipping, supplies, travel costs, and biohazard disposal. The per shot rate includes a nurse to administer vaccine at a rate of 20-23 people per hour.
- Additional nursing hours, above the included hours, are charged at \$75/hour per nurse.
- Parking fees are billed at actual, if applicable.
- If requested, TotalWellness can provide a registration person to handle check-in for a fee of \$60/hour.
- Dates cannot be changed once an event is scheduled.
- Client may increase the number of shots ordered, or change event time and location (within the same metro area). Change fees may apply.
- A minimum of 30 days notice prior to the event date is required when requesting event.
- We ask that each site provide one table, two chairs, and one waste paper basket (for non-hazardous waste) per nurse for the event. We also ask that the site provide copies of the flu shot consent form, pens for filling out the forms, and print-outs of the Vaccine Information Statement.
- If date and time have been reserved and client terminates event, cancellation fees will apply depending on how many days prior to the event TotalWellness receives the cancellation notice.

## INVOICING

After TotalWellness receives a signed service agreement, an invoice for a 50% deposit is sent to the client. Deposit invoices are due upon receipt. The final invoice is sent 30-60 days after the final event listed on the service agreement. Final invoices are due 30 days from the billing date. Invoices are sent via mail and emailed to the billing contact listed on the service agreement.
